

Target Complete your homework every week.

This is key in helping you progress. We regular used flipped learning in MFL. That is that you are told to look up and learn key vocabulary before the lesson so that you can hit the ground running and start forming complete sentences and higher-level structures rather than having to work on the basics. If you have difficulty in doing this for any reason, please speak to your teacher. We can offer you support with this through our Language Ambassadors who coach younger students during tutor period on Fridays. The school also runs a homework club once a week that you can attend.

To further help with this try using the websites below which cover much of the vocabulary and concepts that you will be learning in class.

Additional support

Linguascope

The school has a subscription for www.linguascope.com
Please ask your teacher for the log in details.
Select the language and level of difficulty to best suit you.

Conjugemos

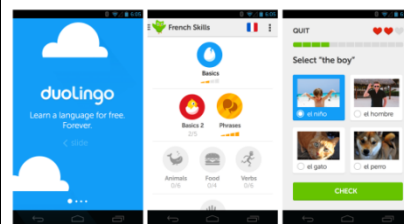

www.conjugemos.com has lots of great worksheets, puzzles and interactive games. You don't need to register for this. Just select play the computer each time when using the games.

YouTube

www.duolingo.com is free of charge and has loads of activities in many different languages.

Intervention

Please email Mrs Yeo (ryeo@penrice.org.uk) if you would like us to arrange for a Language Ambassador to support with your homework
